

Oundle Horticultural Society

- Our main event of the year is our Two-Day Summer Show in July.
- We also have a programme of evening talks from October through to May and often a visit or two during the Summer. Suggestions for these are always welcome.
- Our Coffee Morning and Plant Sale in May helps to fund speakers for the evening talks.

To run the above events the Society relies on the money it receives from members (known as Patrons).

We have many Patrons who do not garden or enter the show but who like to visit and want to see this local event continue. Without the continued support of all our Patrons we would be unable to stage the Summer Show.

Patrons currently receive the following benefits:-

- Free entry to visit the Show
- Unlimited free entries in the show (subject to a limit of 2 entries per class)
- Discounted entry to evening talks
- Show schedule delivered to your door (April/May)
- Access to discounted seed ordering scheme through the Society.

If you would like to become a Patron of the Society please complete the form opposite.

Patrons annual subscription is £5.00 per person.

Our main event is the Summer Show. Whilst there is a degree of competition, the Society encourages entries from all. Many nervous, first-time exhibitors, find that their exhibits are not out of place in the show. Judging is done by qualified judges, to national standards and the spectacle seen by the public is always appreciated. Please come along & join us either as an exhibitor or a visitor.

We look forward to meeting you at our events, all of which, are an opportunity to meet with like-minded people who enjoy gardens, gardening & craft activities.

Thank you for your continued support – we could not run the Summer Show & the Society without our Patrons/members.
